

Super Platformer Game Instruction

Welcome to Squarebound Adventures, where quick reflexes and strategic shooting ensure your survival. Embark on a thrilling journey to outmaneuver enemies and reach the elusive teleportal for triumph!

Controls

- **Move Left:** Press the **Left Arrow Key** to guide the white square hero left.
- **Move Right:** Press the **Right Arrow Key** to navigate right.
- **Jump:** Hit the **Up Arrow Key** to leap onto platforms or dodge dangers.
- **Shoot:** Blast away with bullets by tapping the **Space Bar**.

Goal

With a starting health of 3 points, your objective is to collect coins, and surprise boxes, and eliminate monsters to score points, avoiding all hazards along your path.

Win the Game: Reach the teleportal in the top right corner to claim victory.

Scoring

- **Coins:** Each yellow circle, is worth 1 point.
- **Surprise Boxes:** Larger red squares, rewarding 5 points each.
- **Monsters:** Defeat triangle monsters for points.

Game Mechanisms

- **How to Win:** Successfully navigate to the teleportal.
- **How to Lose:** Health depletes to 0.

Game Play

- **Health:** Each collision with traps, monsters, or asteroids reduces health by 1.
- **Traps:** Black ellipses are deadly; avoid them at all costs.
- **Enemies:** Triangle monsters patrol areas; shoot them before they touch you.
- **Asteroids:** Hexagon shapes are lethal upon contact.

Surprise Boxes

- Strike them for points, but beware, they change color and become point-less after one hit.

Strategies

- **Movement:** Constant movement is crucial for dodging monsters and traps.
- **Shooting:** Clear your path by shooting ahead; remember, timing is everything.
- **Awareness:** Keep track of your health and score to ensure you're on the winning path.

Embark on this epic quest, conquer the challenges, and leap through the teleportal to glory!
